Please note: General Surgery procedures require consultation with a Surgeon prior to the procedure. We can facilitate this upon referral to us.

Information for patients

Your Doctor has asked that you make an appointment to see us. Please bring this form with you on the day.

Preparation

We will provide you with instructions regarding diet, fasting and laxative preparation (for colonoscopy) when you make your appointment.

Medicines

Please advise us if you're taking warfarin, aspirin, or diabetic medication. We will advise instructions.

Travel

You must arrange for an adult to drive you home. You must not drive for 24 hours after your test.

Appointment time

This is your arrival time, not the procedure time. We will endeavour to perform your procedure as soon as possible after arrival.

What happens on the day?

You will be admitted by the Nurse and speak with a Specialist and Anaesthetist prior to the test.

What happens after the procedure?

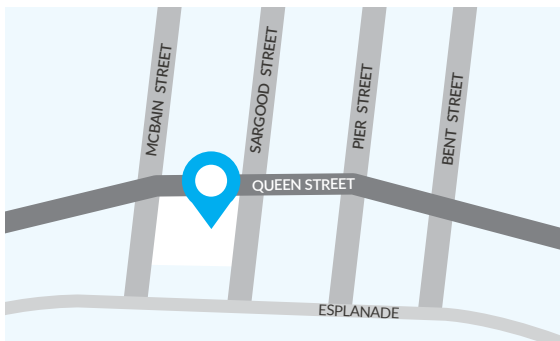

You will awaken in the recovery area and will be provided a light refreshment before going home.

Any questions

Please do not hesitate to drop in or call us if you have any questions.
